Learning Objectives

- Become proficient in using the five tools of the 4QP Emergent Learning Platform™ and demonstrate application of each tool in your ongoing work.
- Learn to choose the appropriate Emergent Learning tool for a given situation.

Please answer these two questions:

1. What appeals to you about using the 4QP Emergent Learning Platform™?

(See page 2)

2. Participants are expected to consistently use 4QP Emergent Learning Platform™ tools as part of their ongoing work, and share their experiences and insights during seminar sessions.

How do you envision using the 4QP Emergent Learning Platform™ in your work?
